

# LIBRARYCON 2025 BOOKMARK DESIGN CONTEST!

Design a bookmark that will be given away at all five of the York County Library locations! The bookmark will be used to celebrate LibraryCon, which takes place on May 17, 2025. You will have from March 1 to March 31 to design and submit your bookmark.

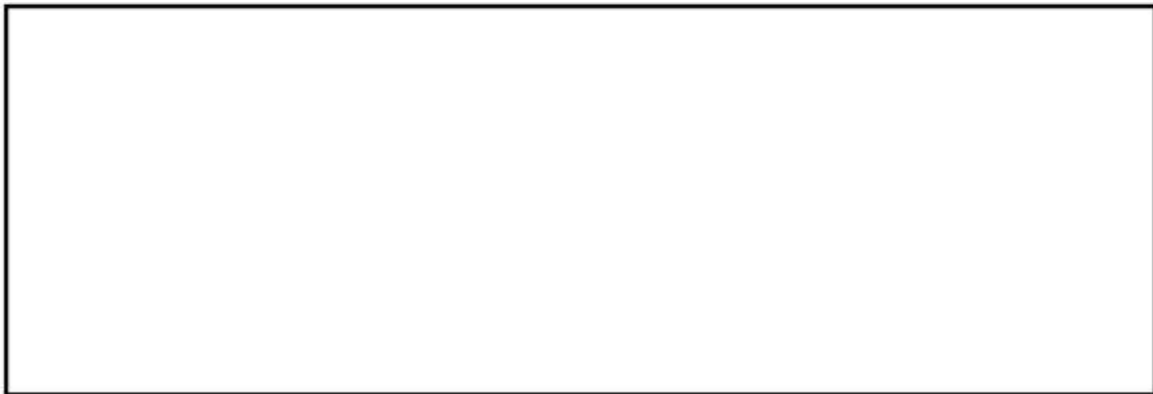

There is no theme for the design, just a love of fandoms!

This contest is for ages 12-18. One winner will be chosen and will receive a gift basket.

Submit your design at any Library branch, or email your submission in .jpg or .png format to [rhteenservices@yclibrary.org](mailto:rhteenservices@yclibrary.org). All entries must be original, non AI generated artwork created by the contestant and must not include any copyrighted elements or characters from other works.
